SPRI - Implementing Cisco Service Provider Advanced Routing Solutions

SVPI - Implementing Cisco Service Provider VPN Services

SPAUI - Implementing Automation for Cisco Service Provider Solutions

Software Development

DevNet Associate

DEVASC - Developing Applications and Automating Workflows using Cisco Core Platforms

DevNet Professional

DEVCOR - Developing Applications Using Cisco Core Platforms and APIs

ENAUUI - Implementing Automation for Cisco Enterprise Solutions

CLAUI - Implementing Automation for Cisco Collaboration Solutions

DCAUI - Implementing Automation for Cisco Data Center Solutions

SPAUI - Implementing Automation for Cisco Service Provider Solutions

SAUI - Implementing Automation for Cisco Security Solutions

DEVOPS - Implementing DevOps Solutions and Practices using Cisco Platforms

DEVIOT - Developing Solutions using Cisco IoT and Edge Platforms

DEVWBX - Developing Applications for Cisco Webex and Webex Devices

Terms and conditions apply.

Cisco Premier Certification Collection - Terms and Conditions

The Cisco Premier Certification Collection provides 12 months of access to over 40 Cisco certification and technology courses. The subscription begins on the date of purchase.

The Cisco Premier Certification Collection is for a single user and is non-transferable. Sharing an account is not permitted.

The Cisco Premier Certification Collection may not be combined with any other discounts, promotions, or other savings programs except where explicitly stated.

Courses may be added, updated, or removed to the Cisco Premier Certification Collection at any time during the subscription period.

The purchase price is non-refundable.

Classroom Live and Virtual Classroom Live courses:

Students can only enroll in GTR (Guarantee to Run) courses using the Cisco Premier EZsite

Courses are offered on a space-available basis.

Courses are only applicable for North American sessions.

Courses are subject to cancellation due to low enrollment and other factors.

Digital courseware and lab content is available through the MyGK portal.

If student cancels a session within the cancelation window or if GK must cancel a session, student must re-enroll through the Cisco Premier EZsite.

All courses must be completed prior to the subscription end date.

The Cisco Premier Certification Collection is available to customers in the United States and Canada only.

The following 8 courses are only available as on-demand training as part of the Cisco Premier Certification Collection:

CCNP Enterprise:

WLFND-Understanding Cisco Wireless Foundations v1.0

CCNP Service Provider:

SPCOR - Implementing and Operating Cisco Service Provider Network Core Technologies

SPRI - Implementing Cisco Service Provider Advanced Routing Solutions

SVPI - Implementing Cisco Service Provider VPN Services

SPAUI - Implementing Automation for Cisco Service Provider Solutions

DevNet Professional:

ENAUI - Implementing Automation for Cisco Enterprise Solutions

CLAUI - Implementing Automation for Cisco Collaboration Solutions

SPAUI - Implementing Automation for Cisco Service Provider Solutions

DEVWBX - Developing Applications for Cisco Webex and Webex Devices
