

IBM Cognos Analytics - Author Active Reports (v11.0)

Course#:B6098G

Duration:1 Day

Price:1349.99

Course Description

This course provides participants with an understanding of Active Report content and functionality within IBM Cognos Analytics - Reporting. Through lecture, demonstrations, and exercises, participants increase their IBM Cognos Analytics experience by building highly interactive reports using Active Report controls, which can then be distributed to and consumed by users in a disconnected environment, including on mobile devices.

Learning Journeys that reference this course:

IBM Cognos Analytics 11.x
